Gas Ministry

At our Gas Ministry, we're not just pumping gas; we're igniting hope and sharing joy.

Our goal is simple yet impactful — we offer to pay for people's gas, turning an ordinary chore into an extraordinary surprise. But there's more! While their tanks fill up, we take the opportunity to connect, offering a listening ear and a moment of care. We invite each person to share a prayer request, allowing us to join them in their hopes, struggles, and dreams.

Thursday Night Street Ministry

Every Thursday, our team hits the streets with a mission to bring hope and nourishment to our homeless community. We load up our vehicles with as many meals as we can carry, and embark on a city-wide adventure of serving those in need. But we don't just stop at physical sustenance. Our true mission is to spiritually feed our friends on the street and share with them the love of Jesus. With the power of evangelism and the guidance of the Holy Spirit, we engage in heartfelt conversations that have the potential to transform lives. And that's not all - we offer more than just a meal and conversation. We provide Bibles and Bus Tickets to church on Sunday, inviting our homeless community to experience the transformative power of faith and fellowship.

Metro Kidz

In our Metro Kids Outreach, we dance, sing, and make memories that will last a lifetime. With laughter and joy filling the air, we have an absolute blast like you've never seen before!

But the fun doesn't stop there - we're on a mission to share the love of Jesus with every child we meet. Through an interactive lesson that's both engaging and inspiring, we present the Gospel in a way that's easy to understand and impossible to forget.

And the best part? We don't just stop at one visit - we come back again and again, building relationships with the kids and their families and sharing the love of Jesus in every way we can. Our ultimate goal is to see entire families saved and transformed by the power of Christ.

Join us on this incredible adventure of faith and fun, as we bring hope and joy to every corner of the neighborhood. With Metro Kidz Outreach, anything is possible - so come along for the ride and be a part of something truly amazing!

Adopt-A-Block

Every Saturday, our Dream Center team hits the pavement with a mission to transform local neighborhoods one door at a time. With a heart for building relationships and serving others, we seek out ways to make a practical difference in the lives of our neighbors, always with the ultimate goal of introducing them to Jesus.

But we can't do it alone - that's why we're thrilled to welcome our Summer Missions Teams to join us on this exciting journey! Alongside our dedicated Block Leaders and Team Members, we'll be working tirelessly to bring light and love to every corner of the neighborhood.

Join us as we walk the streets, share our hearts, and watch as lives are transformed by the power of Christ. Together, we'll bring hope to those in need and build a community of love that will last for years to come. Don't miss out on this incredible opportunity to be a part of something truly life-changing!

Train / Park Evangelism

We're taking our ministry to the streets, visiting local parks and riding the city's transportation trains to meet people where they're at. With hearts full of compassion and a burning desire to share the love of Jesus, we're on a mission to make a difference in the lives of every person we meet.

We're not just here to hear stories - we're here to make them! Through powerful prayer and a message of hope, we present the Gospel in a way that's both impactful and inspiring. And the best part? This is one of the simplest ministries we do, but it's also one of the most effective. Join us as we ride the rails and take to the parks, sharing the love of Christ with everyone we meet. With hearts full of passion and a mission to make a difference, we're on a journey that will change lives forever. So come along for the ride and be a part of something truly incredible!

Beltline Ministry

Join us on a journey of faith and fellowship as we hit the pavement and walk the trail that wraps around the city. Our mission is simple but powerful - to interact with people from all walks of life and share the love of Jesus with them.

We use a variety of approaches to make this ministry unforgettable. Sometimes we hold signs, inviting people to stop and pray with us. Other times, we set up stations where we interview individuals on a variety of topics, all with the aim of pointing them towards Jesus. And let's not forget the free popsicles - who doesn't love a cool treat on a hot day? No matter what approach we take, the end goal is always the same - to pray with and present the Gospel to everyone we meet. Through our interactions, we hope to make a difference in the lives of those we encounter, and spread the message of hope and love to every corner of the city.

Refugees

We visit local refugee neighborhoods to serve and minister. Most of those we meet are new to the country, having recently left war-torn countries. We listen to their stories and look for practical ways to show the love of Jesus.

Neighborhood Transformation

We perform special service projects in our local Adopt-A-Block neighborhoods. The project could be for an individual family, such as helping them clean out their apartment or paint, or a community-based project, like sprucing up the landscaping by removing weeds and adding plants, mulch, etc.

Women of the Street

Women are on the street and we are seeing them. Cats and dogs as well as possums. See the red roof turn orange. Women are on the street and we are seeing them. Cats and dogs as well as possums. See the red roof turn orange.

Homeless Shelter Clean

We visit local homeless shelters to serve the staff and volunteers by helping with cleaning duties. This is a great way to serve those who are constantly serving.

Hospital / Hospice

We will go into local hospitals and bless the patients with flowers while we talk to them and pray over them.

Senior Living

We visit local senior living homes to be a listening ear and a friend to the residents, letting them know they are not forgotten and that they are loved by us and the Lord.

Words of Life

This is a team building activity where the whole team uses words of encouragement to build one another up.

Airport Ministry

We visit the local airports to pray over people's travels and any needs they share.
